

Errata for
Coin Tossing: The Hydrogen Atom of Probability
by Stefan Hollos and J. Richard Hollos
Paper ISBN 978-1-887187-38-1
Ebook ISBN 978-1-887187-39-8
Publication date: May 2019

This errata sheet is for the paperback, Kindle, and pdf versions.

- **pg 138, Equation (8.32)**

The denominator on the right side of the equation should have the term 2^{l+1} multiplied by it, so that the entire right side of the equation should be:

$$\frac{(x - 2)^2 x^l}{(x - 1)^2 2^{l+1}}$$
